3:15 A.M.

Dear Friend & Subscriber:

Calvary Greetings...

It is 3:15 A.M. I am sitting here stunned, staring at my computer screen. Wondering at the email I just received. Before I show you the email, may I ask you a question?

Have You Ever Had A Dream That Came to Pass?

Let me rephrase that question:

Have you ever received the solution to a problem in the dream?

Now, if you dream a lot... and if you wake up remembering half of those dreams ... chances are that you've received insights that *could have* helped you resolve many thorny problems in the past.

Please note the two words: could have.

Why?

Because it is one thing to receive a dream revelation and quite another to understand and apply it when you wake up.

Many Bible-reading believers understand that God can still speak to people in their dreams. You see many instances in scripture where the LORD spoke clearly to men and women in the dream.

In both Old and New Testaments, we read about people receiving divine directions and instructions that helped to move them into the purpose of God for their lives.

I have discussed many of these cases in the Dream CODE.

Now, if you recall, during our breakthrough prayer campaign at the gates of the new year, I mentioned that the LORD will be visiting more and more believers in their dreams.

He will release powerful insights, revelations, and even solutions to stubborn problems to many of His people in the dream.

Just as in the days of old.

As a matter of fact, He already made that promise in Acts chapter 2: 17

*And it shall come to pass in the last days, says God,
That I will pour out of My Spirit on all flesh;
Your sons and your daughters shall prophesy,
Your young men shall see visions,
Your old men shall dream dreams.*

This promise is coming into fulfillment in an exciting new way as you read this (more about that in a moment).

Before we go further...

A Gentle Note of Warning!

If you are reading this, and you are one of those who has been “*mis-taught*” and misled into believing that God no longer speaks to people through dreams (in spite of overwhelming evidence to the contrary) ...

... then the rest of this Special Report may not be of much use to you!

Now we've gotten that little matter out of the way, let's move forward to...

A Surprising Secret From the World of Science

One day I was thumping through an arcane scientific journal when I came across this paragraph:

“The Department of Mechanical Engineering and Materials Science at Duke University has a design seminar which tries to develop creative talents. This course includes a section whose aim is to assist in the productive use of dreams.”

Productive use of dreams? In a highly respected scientific journal?

I couldn't believe my eyes.

But when I looked closely it dawned on me that the researchers had put together an impressive list of insights which have come to scientists during dream-like states and in sleep.

Before I show you a sample of what's on that list, let me quickly tell you the pedigree of this university mentioned here.

According to Wikipedia:

- *Duke University holds a top-ten position in several national rankings.*
- *As of 2018, 13 Nobel laureates and 3 Turing Award winners have been affiliated with the university.*
- *Throughout history, Duke researchers have made breakthroughs, including the development of the world's first real-time, three-dimensional ultrasound diagnostic system and the first engineered blood vessels.*
- *In May 2006, Duke researchers mapped the final human chromosomes which made world news as the Human Genome Project was finally complete.*
- *Reports of Duke researchers' involvement in new AIDS vaccine research has been making the rounds since June 2006.*

So, we are talking about a world class research university here ... setting up an important program to help generate innovation through the “productive use of dreams”.

Back to the journal.

Here are a few examples of the breakthrough innovations listed ... as a product of dreams.

Ever Heard of Goodyear Tires?

Today we drive around without giving any thought to the tire that actually makes physical contact with the road surface. But for many years, the process of turning ordinary rubber into tires presented a formidable challenge to scientists working in the field.

Until one night, a fellow named Charles Goodyear *had a dream*.

You see, Goodyear, like many others worked for years on a unique process for the vulcanization of rubber... all to no avail.

Success came when he dreamed of a “man” who told him to try adding sulphur to the mix.

The rest, as they say, is history.

Right now, if you were to check the tire on your car, you might discover the name Goodyear stamped on it. Many generations have benefitted from that singular breakthrough. In fact, whole new industries have been created, thanks to a dream revelation.

But wait ... there is more.

- In the field of medical science, Banting’s discovery of insulin (for the treatment of diabetes) also came in the dream.
- In the field of mathematics, we are told that the great scientist Sir Isaac Newton often solved his scientific problems in the dream.

I can go on and on but what’s the point?

It is this:

Most of the great problems of mankind have been solved in the dream.

Now, dreams also have a role in the arts, just in case you are not scientifically inclined. Receiving divine help through dreams is not confined to science or engineering.

Frequently dreams have been known to contribute to creative activities in many of the imaginative endeavors of mankind.

For instance:

- The great classical composer Stravinsky wrote some of his music in the dream.
- Mozart and Haydn received some of their most glorious compositions in the dream.

The scientific journal I told you about described the strange case of one famous composer this way:

“Guiseppe Tartini dreamed he gave the devil a violin to play; much to his surprise satan played a beautiful piece of music. On waking, Tartini immediately wrote down the hauntingly lovely “Trillo del Diavolo.”

Surprised? You shouldn't be.

Remember that satan was once the worship leader in heaven ... before his disgraceful exit.

Now to the email I told you about.

Email Received: March 27

“Don't email me again. I have decided to kill myself. Dreamt Jesus was digging holes around my home. I'm losing it and have nowhere to go and no money. Jesus made it clear he won't help.”

Obviously, this dear soul does not realize that satan (and his agents) can sometimes masquerade as someone else in the dream ... in order to steal, to kill and to destroy!

The scripture even alerted us to this fact in 2 Cor. 11: 13-15

“For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. ¹⁴ And no wonder! For Satan himself transforms himself into an angel of light. ¹⁵ Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works.”

So, this person needs your prayers. And my prayers too.

You must realize that for everything God does, the enemy satan also has a counterfeit.

If there are divine dreams from God, you can be sure there are also counterfeit dreams from the pit of hell...

... designed to mislead, confuse and ultimately destroy an individual or group.

My big concern is that instead of receiving dream secrets that will move their lives forward, most 21st century believers are getting the exact opposite:

- They are being pursued in the dream
- Some still find themselves having sex with both men and women in the dream
- Many see themselves forced to eat and drink spiritual poison in the dream

The list goes on and on.

A few years ago, I posted a short article on my blog and invited readers to post their comments and share their dreams.

Within hours the server crashed.

2,937 people had already posted before I received this email from my web hosting company, politely asking me to move my blog elsewhere:

Hey elisha,

"I've been having a server problem all morning, after working with my support team for several hours, we finally figured out that the problem is that your site is just getting too much traffic.

Now, I don't have any specific restrictions on how much traffic/bandwidth I give to clients, however in this case, your site is simply bringing the whole server (and all of the sites on it) down.

I temporarily disabled your domain and immediately everything went back to normal, as soon as I turned it back on the usage levels started to climb and within a few minutes the server once again halted.

Unfortunately, I'm going to have to ask you to move your site off of my server. This is the first time, I've ever done this, but I can't have all of the sites go down because of one single domain.

Lastly, I'm very sorry about this, please let me know if you need a hand in moving your site over."

- Manager, Webhosting/Support

Why did this server crash?

I found the answer when I began to dig into the comment section.

I could see that thousands of people were having the same sordid dream experiences... even though they were writing from 117 different countries.

They were being hit with similar attacks in the dream.

And by our activities we were getting dangerously close to...

Cracking the Secret of the Satanic Dream Bank...

The devil quickly figured out that if we kept going unhindered, many of his evil strategies will be exposed ... and checkmated.

Because ...

If you never knew that the enemy is using the exact same dream weapons against other people elsewhere, you might just be tempted to give up, thinking there's no solution to your problems.

But from our little activity on the blog, it was becoming clear as day that the devil was losing the battle.

And that leads us to this prayer exercise.

At this point, please find a quiet place, close your eyes and take this prayer with fire in your spirit for at least 10 minutes:

“O LORD, by your Spirit, let every good thing you have deposited in my life, come forth for global recognition this year in Jesus’ name.”

Friend, it is time to move forward and possess your possession.

You have tarried long enough in the wilderness.

The LORD is about to pour out a fresh anointing for divine exploits.

This is the moment.

You have to key in and re-position yourself now.

Please listen carefully:

This year, whether you are working for others or running your own business, it is time to replace your income.

The LORD has need of your time. You must be empowered to affect your community for Christ Jesus our Lord... while at the same time creating wealth for the work of the kingdom.

Let's quickly confirm that in scripture...

Dreams, Prayer and Innovation

In Genesis 31 we read:

⁴ So Jacob sent and called Rachel and Leah to the field, to his flock, ⁵ and said to them, “I see your father’s countenance, that it is not favorable toward me as before; but the God of my father has been with me. ⁶ And you know that with all my might I have served your father. ⁷ Yet your father has deceived me and changed my wages ten times, but God did not allow him to hurt me. ⁸ If he said thus: ‘The speckled shall be your wages,’ then all the flocks bore speckled. And if he said thus: ‘The streaked shall be your wages,’ then all the flocks bore streaked. ⁹ So God has taken away the livestock of your father and given them to me.

¹⁰ “And it happened, at the time when the flocks conceived, that I lifted my eyes and saw in a dream, and behold, the rams which leaped upon the flocks were streaked, speckled, and gray-spotted. ¹¹ Then the Angel of God spoke to me in a dream, saying, ‘Jacob.’ And I said, ‘Here I am.’ ¹² And He said, ‘Lift your eyes now and see, all the rams which leap on the flocks are streaked, speckled, and gray-spotted; for I have seen all that Laban is doing to you. ¹³ I am the God of Bethel, where you anointed the pillar and where you made a vow to Me. Now arise, get out of this land, and return to the land of your family.’”

Do you see what is happening here?

After being cheated of his benefits for so long, the man Jacob finally had a divine visitation in the dream.

In that dream, the LORD through His angel came to deliver to him the secret blueprint of wealth transfer.

And gradually, the wealth of the heathen was transferred into the hands of the righteous.

You may ask: **What was this secret blueprint and how was it applied?**

Let’s look at how the dream encounter we just read about was translated into action in the physical realm.

Here’s how the Bible records it:

³¹ So he said, “What shall I give you?”

And Jacob said, “You shall not give me anything. If you will do this thing for me, I will again feed and keep your flocks: ³² Let me pass through all your flock today, removing from there all the speckled and spotted sheep, and all the brown ones among the lambs, and the spotted and speckled among the goats; and these shall be my wages. ³³ So my

righteousness will answer for me in time to come, when the subject of my wages comes before you: every one that is not speckled and spotted among the goats, and brown among the lambs, will be considered stolen, if it is with me.”

³⁴ And Laban said, “Oh, that it were according to your word!” ³⁵ So he removed that day the male goats that were speckled and spotted, all the female goats that were speckled and spotted, every one that had some white in it, and all the brown ones among the lambs, and gave them into the hand of his sons. ³⁶ Then he put three days’ journey between himself and Jacob, and Jacob fed the rest of Laban’s flocks.

³⁷ Now Jacob took for himself rods of green poplar and of the almond and chestnut trees, peeled white strips in them, and exposed the white which was in the rods. ³⁸ And the rods which he had peeled, he set before the flocks in the gutters, in the watering troughs where the flocks came to drink, so that they should conceive when they came to drink. ³⁹ So the flocks conceived before the rods, and the flocks brought forth streaked, speckled, and spotted. ⁴⁰ Then Jacob separated the lambs, and made the flocks face toward the streaked and all the brown in the flock of Laban; but he put his own flocks by themselves and did not put them with Laban’s flock.

⁴¹ And it came to pass, whenever the stronger livestock conceived, that Jacob placed the rods before the eyes of the livestock in the gutters, that they might conceive among the rods. ⁴² But when the flocks were feeble, he did not put them in; so the feebler were Laban’s and the stronger Jacob’s. ⁴³ Thus the man became exceedingly prosperous, and had large flocks, female and male servants, and camels and donkeys.

See the results? What a masterful execution of an idea received in the dream!

Now please watch closely:

What Jacob did here was an innovative application of a divine principle of wealth transfer...

... that is so potent and powerful that even the devil has manufactured his own counterfeit.

What many people do not realize is that the original idea was given to Jacob in a dream.

Let me say this again:

This time the LORD is about to open the windows of Heaven and pour out His end-time blessings in the form of divine ideas, insights and revelations in the dream.

You will need to be alert (like Jacob) so you can receive the divine blueprint from the hand of the LORD just like Jacob did.

Let me quickly add this...

If you can receive the blueprint and run with it, you will be setting the stage for a powerful release of inter-generational wealth that perpetuates itself from generation to generation.

Praise the LORD.

In Jacob's case, the wealth continues to this present generation.

During the time of Christ, the wealth that Jacob passed down could still be traced. Here's one encounter at a place called Jacob's well.

⁵ So He came to a city of Samaria which is called Sychar, near the plot of ground that Jacob gave to his son Joseph. ⁶ Now Jacob's well was there. Jesus therefore, being wearied from His journey, sat thus by the well. It was about the sixth hour.

This piece of property, many generations later, was still recognizable as part of the inheritance that Jacob left for future generations.

Now Let's Talk About You...

- ***Do you know that it is PRAYER that sparks divine dreams and innovation?*** (We can actually trace the divine dream that Jacob had to his prayer at Bethel many years earlier).
- ***Do you realize that you may have received Jacob's kind of dream in the past*** (as a result of your prayers) without even knowing it?
- **Whatever happened to that Jacob's dream with your name on it?** Can you recall?
- ***Do you know that many believers first saw their godly spouse in the dream,*** after praying and asking the Lord for divine revelation?

- *Do you know that many people have avoided serious crisis* in their lives simply by paying attention to what the LORD is showing them in the dream?

Ask yourself this one:

- Am I running with my Jacob's dream or have I allowed the great robber of mankind to capture my dream of destiny and divert it into the satanic dream bank in the spirit?

I kid you not. Once your Jacob's dream has been diverted, in its place all you will be seeing is:

- People and animals pursuing you in the dream
- You will find yourself attempting to climb high mountains without success
- You will be seeing doors closing before you get in.
- One unending battle after another the moment you close your eyes to sleep.

This is the reason the LORD has chosen to put this material in your hand... to help you recover what has already been lost... so you can quickly move into your next season starting this year.

You Are Going to Like This One...

The LORD wants to reveal secrets to you in your dreams, if you follow instructions diligently.

It is still possible for the LORD to show you future events in the dream ... days, even weeks, before they come to pass.

Many years ago, we were praying about the US presidential elections.

I was getting daily reports from our prayer eagles in the trenches about the certain outcome of the presidential election.

One of such reports painted a very vivid picture.

The LORD took our eagles to a wrestling match in the spirit realm after one of our hot prayer sessions.

In the ring were the two contestants, fighting it out. It got to a point that the one, who appeared to be losing badly, all of a sudden lifted the other high up in the air like a featherweight and slammed him/her to the ground.

Immediately the referee blew the whistle.

That was it. Game over.

This incident happened at a time when the polls and the pundits were saying something entirely different.

No matter.

It came to pass just as our prayer eagles witnessed in the spirit.

It Is Your Turn Now

It is time for you to ask the LORD to show you a play-by-play video of your divine destiny going forward.

As we go into this prayer session at the end of this manual, I must advise you that anything can happen.

The powers that have been manipulating your Jacob's dream into the satanic dream bank in the spirit will be thoroughly disgraced, suddenly and without remedy.

Mark my words:

For the first time many people will be given a shocking peek into what has been written about them ... in the heavenly records.

During this 7-day program, please make sure to pray, not only for yourself, but for other participants in this program.

It should comfort you to know that I have mandated all prayer eagles on this site to pray for every single individual who participates in this type of event.

Remember that others will be crying out to the LORD on your behalf... from 117 countries around the world. And be serious with the prayers.

As the LORD said in Joel chapter 2: 28

*And it shall come to pass afterward
That I will pour out My Spirit on all flesh;
Your sons and your daughters shall prophesy,
Your old men shall dream dreams,
Your young men shall see visions.*

You shall not be left out in Jesus' name.

Please close your eyes and declare like this:

"In the move of your power during this program, O LORD, do not pass me by in the name of Jesus."

In this short program, we'll be doing 3 things:

1. Bring deep and sincere repentance before the LORD
2. Pull down the altar of dream manipulation that has been set up against you
3. Recover your divine dreams from the satanic dream bank in the spirit

12 Things to Note Before You Pray

- 1 You are not praying against any human being, dead or alive. Your prayer points are directed at the spiritual entities (which you may not even know or see) listed in Ephesians 6:12
- 2 You must have prepared yourself - through genuine repentance.

- 3 During this short program, no matter the level of provocation, do NOT get angry. Be of your best behavior towards friends, family and even those who do not like you.

- 4 Commit to reading through the book of Ephesians during this period. And meditate upon those scriptures to keep your spirit-man razor sharp.

- 5 Each prayer point should be prayed for between 2 and 5 minutes. Do NOT just read them. Pray them repeatedly or with variation as led by the Spirit of God. And pray in the Spirit often.

- 6 Get a notebook and write down all your dreams, visions and revelations during this program.

- 7 Pray at the midnight hour for best results, if you can.

- 8 If you are praying in a group, let one person call out the prayer points and then everyone will pray in unity until the one leading says, “in Jesus’ name we pray.” Then everyone should shout "Amen." Move to the next prayer point.

- 9 Begin each session with passionate praise and worship for at least 10 minutes.

- 10 Follow praise and worship session with scripture confessions.

- 11 First 24 hours (day 1) please observe a fast if you can (if you have a medical condition, seek the advice of your doctor). Other days fast from morning till 12 noon or 3pm or 6 pm or 9 pm as the Lord gives you the grace.

- 12 Finally, pray each prayer point loud, repeatedly, aggressively, and with fire in your voice. The Bible assures us in Matt.11:12:

“And since the time of John the Baptist until now the kingdom of heaven suffers (allows) violence, and the violent take it by force.”

Day 1

Scripture Ingredients: Daniel chapter 9:1-19

We will start off with the 3 R's: -

- *Repent*
- *Renounce*
- *Revoke*

Repent...

The very first step to take is acknowledge that you have made mistakes in the past and sinned greatly against the LORD.

Then you go to Him in with godly sorrow and deep repentance in your heart, confessing your sins and the sins of your ancestors, following Daniels's godly example in Daniel 9.

Here Daniel was praying for the restoration of Jerusalem. You should follow that model and in place of Jerusalem, substitute your dreams and your divine destiny.

This is such a crucial FIRST step. You must do it slowly, while on a 24-hour FAST.

Confess your sins one by one.

Mention them by name, especially sexual sins, unforgiveness, wrong use of the tongue, etc.

And ask GOD for forgiveness and mercy.

Believe that the LORD has forgiven you as He has promised in His Word.

Please note that the Holy Spirit will remind you of unrepented sins. You need to repent of them all if you REALLY want to see results in this program.

This is what will set the tone and lay the foundation for the rest of the program.

It is what will activate divine intervention in the area of your dreams ... the LORD has been waiting a long time for you to get on your knees and do this properly and thoroughly!

Renounce...

After repentance (please note that thorough repentance can take you hours) then you will be positioned to renounce your involvement in ungodly associations.

Here's a good example:

If you were a member of any fraternity or cult group at any time (or you know that your parents or ancestors were), you may want to pray like this:

- 1. Lord, I repent of my involvement with this group (mention the name).*
- 2. I ask for your forgiveness. Please wash me clean with the blood of Jesus Christ.*
- 3. Holy Spirit, please help me never to go back to my own vomit.*
- 4. I hereby renounce my association with this group in Jesus' name (mention the name).*
- 5. I reject all the properties of this evil group in my possession, let the fire of God be released to burn them to ashes in Jesus' name.*

I bind all the spirits, powers, entities, strongholds associated with this group and I cast them out of my life forever by the power in the blood of Jesus Christ. In Jesus' name I command these powers to loose their hold upon my life right now. I cancel every evil claim of ownership upon my life in Jesus Christ name.

- 6. I silence every evil voice speaking against my life from the camp of the wicked by the power in the blood of Jesus.*

Revoke...

I revoke every decree, I counter every negative pronouncement, I cancel every spell, enchantment and divination from this evil group (mention the name) by the power in the blood of Jesus.

7. I bind every spirit associated with this group and I FORBID them from operating against my life and family from now henceforth in Jesus' mighty name.

8. Let the blood of Jesus wash and purge me from every stamp, mark or label associated with this group in Jesus' name.

9. I break every covenant with this group I entered into willingly or unwillingly, whether in the physical or in the dream, in Jesus' name.

10. Let every curse attached to my membership of this group be broken by the power of the Holy Spirit and the power in the blood of Jesus Christ.

11. I hereby announce my separation from this group. I terminate all assignments and I destroy every linkage or connection with this group for now and in eternity in Jesus' name.

12. Let my name be erased from their evil registers by the blood of Jesus, and let all covenant materials with my name be consumed by the fire of God in Jesus' mighty name. Amen.

TO SUMMARIZE:

Confess your sins to the LORD and ask for His forgiveness. Confess the sins of your ancestors and ask for His forgiveness. Ask Him to wash you clean with the blood of Jesus. Receive His forgiveness with thanksgiving. And declare that you forgive yourself as well.

Then renounce, revoke, reject every past or present ungodly associations, and separate your life from each and everyone of them, as I've outlined above.

Here are the steps ...

- 1:** Start with praise worship. Praise God and worship him with songs, and even with dancing.
- 2:** Confess out LOUD the Scriptures promising deliverance: Col. 2:14-15, Gal. 3:13-14, 2 Timothy. 4:18, Isa 53:3-5

- 3: Renounce
- 4: Reject
- 5: Revoke
- 6: Announce your separation, using the example above as a model.
- 7: **Charge yourself with the fire of the Holy Ghost**
- 8: Close the session with high praises to the LORD.

You need to spend time to carry out this exercise, especially if you have ever been involved in any of the following in the past:

1. *abortion or other forms of bloodshed*
2. *consulting with psychics, astrologers, mediums, fortune-tellers, white garment churches, etc.*
3. *worship of false gods, including family gods*
4. *sex outside marriage*
5. *sexual perversion, e.g. sodomy, pornography, oral sex*
6. *maintaining evil family altars*
7. *satanic priesthood*
8. *witchcraft, satanism, and other occult practices*

Please use the entire Day One to repent and carry out the exercise above.

14. LORD God Almighty, from the north, south, east and west, pour out your Spirit upon each of us as we cry out to you from all corners of the earth.
15. O LORD, we will not give you rest until you bless us according to your promise in Jesus' name.
16. Special Announcement: I declare the word of the LORD and I claim this promise, in agreement with elisha and all the participants in this program: That the LORD has given us a double portion of prosperity and everlasting joy, instead of shame and dishonor.
17. Any power, spirit or personality that wants to fight against the prosperity and joy of the LORD in my life, prepare thy coffin and die, in the name of Jesus.
18. I shall not be a spectator in this program in Jesus' mighty name.
19. LORD, your word says: If any two of us shall agree as touching anything on this earth, it shall be established in heaven. LORD, in agreement with my brothers and sisters in this

program, I ask that you give each of us divine dreams with ideas that will bring us all-around freedom in Jesus' name.

20. O LORD, as I give my tithe and offerings this month, honor your word in Malachi 3 verse 10 and open the windows of heaven, and pour upon us divine ideas that will move us out of debt and into financial freedom in Jesus' name.
21. LORD, even as the blessing of the widow did not cease until she filled all her containers and declared with her mouth that there was no more, even so, none of us in this program will shut your window of blessings and divine ideas, but the blessings shall flow from generation to generation like Jacob's well.
22. And so shall it be in Jesus' name.

Day 6

1. O LORD, give me and all those participating in this program dreams, visions and revelations that will move our lives forward in Jesus' name.
2. O LORD, manifest your mercy and power concerning my staff of bread in the name of Jesus.
3. It is written: I wish above all things that you may prosper and be in health, even as your soul prospers. Ministering angels of the Living God, hearken to the word of God now and bring us divine ideas that will prosper our lives in Jesus' mighty name.
4. O LORD, give unto the angels conveying our blessings overcoming divine assistance to bring our portion speedily in Jesus' name.
5. Any power, living or dead, that may want to bring confusion to hinder me or any one of us from the move of God, I decree your death by fire in the name of Jesus.
6. Let the shed blood of Jesus that touched the ground, break every family curse that could stand as a hindrance against me or any of the participants in this program.

7. O God arise by your power of resurrection, raise up all our dead potentials in the name of Jesus.
8. Every good door shut against me in the spirit, be opened now in the name of Jesus.
9. Father, for us to have a voice and affect our community, we need spiritual and financial deliverance; LORD give each of us divine ideas that will bring our financial freedom in Jesus' name.
10. My life, move forward by fire in the name of Jesus Christ.
11. I receive divine ideas and revelations that will catapult my life forward in Jesus Christ's name.
12. Enough of being pursued; I pursue my pursuers, I attack my attackers by the power in the blood of Jesus.
13. Holy Spirit, help me to be a vessel meet for the Master's use in Jesus' name.
